PART C: OTHER INFORMATION

Item 15. Indemnification

Section 4.01 of Registrant's First Amended and Restated Bylaws, filed as an Exhibit to this Registration Statement, contains provisions requiring the indemnification by Registrant of its directors, officers and certain others under certain conditions. If so required, Registrant shall indemnify its trustees, officers or employees for such expenses whether or not there is an adjudication of liability, if, pursuant to Investment Company Act Release 11330, a determination is made that such person is entitled to indemnification by: (i) final decision of the court before which the proceeding was brought; or (ii) in the absence of such a decision, a reasonable determination, based on factual review, that the person is entitled to indemnification is made by: (a) a majority vote of disinterested, independent trustees; or (b) independent legal counsel in a written opinion.

Advances of expenses incurred in defending such actions may be made pursuant to Release 11330, provided that the person undertakes to repay the advance unless it is ultimately determined that such person is entitled to indemnification and one or more of the following conditions is met: (1) the person provides security for the undertaking; (2) Registrant is insured against losses arising by reason of any lawful advances; or (3) a majority of disinterested non-party trustees or independent legal counsel in a written opinion determines, based on review of readily available facts, that there is reason to believe the person ultimately will be found entitled to indemnification.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of Registrant, pursuant to the foregoing provisions or otherwise, Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Registrant of expenses incurred or paid by a director or officer or controlling person of Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person of Registrant in connection with the securities being registered, Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether or not such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Registrant and its officers, employees, and agents are insured under the fidelity bond required by Rule 17g-1 of the Investment Company Act of 1940.
