Ford Motor Credit Company LLC
One American Road
Dearborn, Michigan 48126

We have performed the procedures enumerated below, which were agreed to by Ford Motor Credit Company LLC ("Ford Credit," "Responsible Party," "Company," or "you" as the engaging party) on behalf of itself, its special purpose subsidiary, Ford Credit Auto Lease Two LLC (the "Depositor"), Barclays Capital Inc., BMO Capital Markets Corp., Citigroup Global Markets Inc., Credit Agricole Securities (USA) Inc., and RBC Capital Markets, LLC (collectively referred to herein as the "Specified Parties"). The procedures were performed in connection with the potential issuance by the Ford Credit Auto Lease Trust (the "Lease Trust"), established by Ford Credit, of asset-backed notes (the "Notes") collateralized by an exchange note to be issued to Ford Credit, which will be backed by a reference pool of car, light truck and utility vehicle leases and leased vehicles (the "Lease Assets") purchased by Ford Credit's titling companies from dealers, which exchange note will be sold to the Lease Trust. The procedures were performed solely to assist you and the Specified Parties in determining the accuracy of certain attributes of a sample of the Lease Assets as of September 1, 2023 (the "Cutoff Date"). The addressees are responsible for the offering of the Notes by Ford Credit Auto Lease Trust 2023-B in this transaction (the "Transaction") and the accuracy of certain attributes of a sample of the Lease Assets as of the Cutoff Date.

In an agreed-upon procedures engagement, we perform specific procedures that the Specified Parties have agreed to and acknowledged to be appropriate for the intended purpose of the engagement and we report on findings based on the procedures performed. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The Specified Parties have agreed to and acknowledged that the procedures performed are appropriate for their purposes. This report may not be suitable for any other purpose.

Procedures and Findings

In connection with the Transaction, you determined the sample size of 125 Lease Assets, which Ford Credit represents, was selected randomly from the pool of Lease Assets to be sold to the Lease Trust.

This agreed-upon procedures engagement was not conducted for the purpose of satisfying any criteria for due diligence published by a nationally recognized statistical rating organization.

 - Any correction notices to the information contained in the motor vehicle lease agreement (the "Correction Notices"),
 - Any lease modification (the "Lease Modification Agreement"),

 - Any certificate of title, motor vehicle lien statement, application for title, application for registration for motor vehicle, certificate of origin or manufacturer statement of origin for a vehicle (for overseas military contracts when the vehicle is delivered overseas), or other evidence (including Secure Title reporting for electronic titling states) showing ownership interest and security interest in the leased vehicle (the "Title Documents"), and

 - For Sample Lease 54, Ford Credit provided a screenshot from their U.S. Lease System containing a reconciliation of the new monthly lease payment and the updated applicable monthly taxes (together, with the Correction Notice for Sample Lease 54, the "Additional Base Payment Support").

The data, information and documents listed above and provided by Ford Credit are collectively referred to as the "Data, Information, and Documents".

II. Procedures Performed

We performed the following agreed-upon procedures on the Sample Leases. For the purposes of the procedures below, dollar amounts and percentages that differ only as a result of rounding were deemed to be in agreement. In the event that a document was not clear, data was missing, or there was a question about the information contained in the document relevant to performance of the agreed-upon procedures, we contacted a Ford Credit representative for clarification prior to reporting any exceptions. Our findings as a result of performing the procedures are attached in Exhibit I.

- For each Sample Lease, we observed the Lease Contract and Title Documents noting the absence of the Lease Contract and Title Documents as exceptions, provided that if the Lease Contract date was within 30 days of the Cutoff Date, the absence of Title Documents was not noted as an exception.
 - For each Sample Lease, we observed the lessee's signature on the Lease Contract.
 - For each Sample Lease, we observed that an Acceptable Titling Company was identified as the "Holder" on the Lease Contract using the Lease Titling Companies File.
- We did not perform this agreed-upon procedure if the Lease Contract was completed by an Ohio dealer with a lessee that has an address outside of Ohio.
- For each Sample Lease, we:
 - Agreed the vehicle identification number ("VIN"), lease date, base payment, first monthly payment due date, lease term in months, residual value, and vehicle model year on the Lease Contract to the Sample Leases Extract File.
- We did not perform this agreed-upon procedure relating to the base payment if the Lease Contract was an advance payment program Lease Contract as signified by an "A" in the column "Single Balloon Code" of the Sample Leases Extract File.
- If a Correction Notice was sent to the borrower, we recalculated the base payment amount by using the total payment amount minus the tax amount, shown on the Correction Notice, and agreed such amount to the Sample Leases Extract File. As instructed by Ford Credit for Sample Lease 54, we used the Additional Base Payment Support to recalculate the base payment amount.
- Recalculated the acquisition cost on the Lease Contract and compared our result to the Sample Leases Extract File.
- When we performed this procedure, the adjusted capitalized cost on the Lease Contract was equal to the sum of the column "Acquisition Cost" in the Sample Leases Extract File plus the acquisition fee in the column "Acquisition Fee Amt" of the Sample Leases Extract File.
- This procedure did not apply to any Sample Lease for which a Correction Notice that changed the amount of the payment had been issued to the borrower.
- Agreed the use for which the financed vehicle was leased on the Lease Contract to the Sample Leases Extract File.
- In performing this procedure, we were instructed to utilize the Comm Paper Ind column on the Sample Leases Extract File and to consider the vehicle use as personal if (i) the lessee is an individual and personal, family or household is designated on the Lease Contract or (ii) no designation was made on the Lease Contract and the lessee is an individual. The use is commercial if (i) anything other than personal, family or household use is designated on the Lease Contract (e.g., business, commercial, agricultural, hazardous, etc.) or (ii) the lessee is an entity or a business regardless of designation or no designation.

- Agreed the make and model of Ford Motor Company manufactured vehicles on the Lease Contract to the Sample Leases Extract File using the Vehicle Mapping File and the vehicle window sticker or dealer invoice, as needed.
- For purposes of this procedure Ford Motor Company manufactured vehicle means a Ford and Lincoln vehicle. For the avoidance of doubt, this procedure was not performed for non-Ford Motor Company manufactured vehicles, and a non-Ford Motor Company manufactured vehicle was not considered an exception under this procedure.
- For the purposes of this procedure, if the model name on the Sample Leases Extract File was contained within the model name on the Lease Contract (giving consideration to style, trim levels, and capitalization e.g., F-150 SuperCab XL) it was not noted as an exception.
- Agreed the number of co-lessees indicated on the Lease Contract matched the Number of Endorsers on the Sample Leases Extract File.
- For purposes of this procedure D, if information on the Lease Contract did not agree to the Sample Leases Extract File, we compared such information on the Sample Leases Extract File to the Correction Notices, Lease Modification Agreement, or Substitution or Transfer Agreement for the Sample Lease, using the date of each document to apply such document in chronological order.
- If a Title Document was found in the Lease Files, we observed that such document noted that an Acceptable Titling Company listed in the Lease Titling Companies File was listed as the owner of the leased vehicle and we observed that HTD Leasing LLC was listed as the lienholder using the HTD Acceptable Variations File.
- For purposes of this procedure E if (i) a Title Document is from the state of Oregon, (ii) the leased vehicle is titled in the name of the customer as lessee using the lessee's address, and (iii) the Lessor name appears as CAB West LLC or an acceptable variation listed in the Titling Companies File, it was not noted as an exception.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not conduct an audit or an examination engagement, the objective of which would be the expression of an opinion, or a review engagement, the objective of which would be the expression of a conclusion, on accuracy of certain attributes of a sample of the Lease Assets as of the Cutoff Date. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

In performing this engagement, we are required to be independent of the Responsible Party and to meet our ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the Specified Parties (including for purposes of substantiating the Specified Parties' "due diligence defense" under the Securities Act of 1933), and is not intended to be and should not be used by anyone other than the Specified Parties.
