This Supplement updates certain information in the most recent initial summary prospectuses and updating summary prospectuses, as applicable, for the above-referenced variable annuity contracts and any supplements to the initial summary prospectuses and updating summary prospectuses (together the "Prospectuses"). You should read this Supplement in conjunction with your Prospectuses. Unless otherwise indicated, all other information included in the Prospectuses remains unchanged and the terms and section headings used in this Supplement have the same meaning as in the Prospectuses. We will send you another copy of any prospectuses or supplements without charge upon request.

The changes described below are effective July 1, 2025.

On the "Cover Page" of the "Summary Prospectus for New Investors", the sentence beginning with "Subject to the limitations" discussed in the prospectus for the Contract,..." is replaced in its entirety with the sentence below:

Subject to the limitations discussed in the prospectus for the Contract, you may choose to invest amounts in up to 59 Divisions of the Separate Account as well as available fixed options under certain circumstances. Each Division of the Separate Account invests exclusively in shares of a single series of a Fund (i.e., an underlying Portfolio).

In the "Ongoing Fees and Expenses (annual charges)" section under the "IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CONTRACT" table, the row "Investment Options (Portfolio company fees and expenses)" is replaced in its entirety with the row shown below:

	Annual Fee	Minimum	Maximum	
	Investment Options (Portfolio company fees and expenses)	0.14% ²	2.73% ²	

In the "Fees and Expenses" section, under "Annual Portfolio Operating Expenses", the table for Annual Portfolio Operating Expenses is removed in its entirety and replaced with the table below:

	Minimum	Maximum
Annual Portfolio Operating Expenses (expenses deducted from Portfolio assets, including management fees, distribution (12b-1) fees, and other expenses as a percentage of average Portfolio assets)	0.14%	2.73%
Annual Portfolio Operating Expenses After Contractual Fee Waiver or Reimbursement ¹	0.14%	2.68%

In "Appendix A", the list of "Portfolios Available under Your Contract" is removed in its entirety and replaced with the table below:

¹ This reflects an expense reimbursement and/or fee waiver arrangement that is in place and reported in the Portfolio's registration statement. This agreement may be terminated in the future and, therefore, the expense figures shown reflect temporary fee reductions.

² A series of Northwestern Mutual Series Fund, Inc., for which Mason Street Advisors, LLC (MSA), our wholly-owned company, serves as investment adviser.

³ Although the Government Money Market Portfolio seeks to preserve its value at \$1.00 per share, it is possible to lose money by investing in the Government Money Market Portfolio. An investment in a money market portfolio is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any government agency. During extended periods of low interest rates, the yield of a money market portfolio may also become extremely low and possibly negative.
